

2021 SHOW CANCELLATION NOTICE

▬

All,
Due to COVID 19, governing health departments continue to place restrictions on large events such as the Southeast Pool & Spa Show and it does not appear these restrictions will significantly ease in the immediate months. Consequently, we have made the difficult decision to cancel the 2021 Southeast Pool & Spa Show. All exhibitor registrations and deposits will be moved to our 2022 Show. Thank you for being patient and understanding in this difficult time. Please stay tuned for a 2022 Show date for Nashville.
