## Affinity Partner Highlight

### 401K Design by Ameritas

The Business Council is proud to begin to offer an innovative approach to the 401(k) marketplace, powered by **Ameritas**.

The Retirement Collective program allows you to offer a retirement plan to your employees while:

- Reducing your administrative burden
- Mitigating and transferring fiduciary risks
- Potentially reducing costs

Sponsoring and maintaining a retirement plan can be challenging.

The Retirement Collective brings together a team of professionals on your behalf so you can focus on running your business, not your retirement plan. When you offer a plan through the Retirement Collective, you leverage the assets of all the plans in the Retirement Collective and utilize the best professionals in the retirement field to run your plan.
