

BREAKING NEWS

NJ Governor Announces New Executive Order Mandating Employers to Implement COVID-19 Safety Procedures

Today, Governor Murphy announced that effective **Thursday, November 5th at 6 a. m.** private and public companies must implement uniform health and safety standards to protect workers against the coronavirus.

- Workers to keep at least 6 feet from each other “to the maximum extent possible.”
- Workers and visitors to wear a face mask, with limited exceptions.
- Employers to provide masks to workers at the company’s expense.
- Employers to provide workers, customers, and visitors with sanitizing materials at the company’s expense.
- Employers to conduct daily health checks of workers, such as temperature screenings, visual symptom checking, and more.
- Employers to notify workers when there is possible exposure to the virus.
- Employers to provide workers with breaks throughout the day to wash their hands.
- Employers to routinely clean and disinfect frequently touched areas per state and federal guidelines.

This Executive Order was announced today, and we will be working on gathering additional information that will help your business.
