

# THE UPDATE

## President's Message The Challenges of COVID-19

NESPA members have had the distinction of working and living in the part of the country that has been hardest hit by the coronavirus, which has presented us with unique challenges both professionally and personally. Not only have we been front and center during this health crisis, but also we have had to deal with unprecedented work restrictions as the four states in our region have worked to mitigate the spread of the COVID-19 virus.

## What You Need to Know

### **NESPA's Four-State Region Begins to Open**

The pool and spa industry is open in NESPA's four-state region including Connecticut, New Jersey, Pennsylvania and five New York State regions (more are expected to open this week!). We have also seen non-essential retail reopen for curbside pick-up and delivery. Pool service and maintenance continues to be recognized as an essential business.

### **Keep an Eye Out for Scale!**

The Weather is Warming Up. Pools are Opening. Keep an Eye Out for Scale!

With pool start-ups happening around the region, don't forget we are still collecting samples of scale and crystal deposits found on cementitious surfaces.

## NESPA to Launch New Website in June

Redesigned with our members in mind, the new website features user-friendly design focused on getting you the information you need right when you need it. The site's responsive design means you can access NESPA resources wherever you are – in the field, in the office or at home.
