

THANK YOU

To our Valued Customers, Vendor Partners and Employees

The Pandemic has and will continue to test our character as individuals and as a company. We believe we stayed true to our core values, putting profits aside and the interests of our Employees, Customers and Vendor Partners first.

This has been no easy task for any of us and we understand that many of you had difficult decisions to make during extended shutdown cycles and, of course, did what you needed to do for your Employees, Customers and Businesses. With that said, for those of you who needed to solve supply chain issues elsewhere, welcome back; and for those of you who have patiently waited, our sincere thanks!

We have never felt more blessed to be a member of this industry and acknowledge with compassion and condolences the significant challenges and losses so many of our fellow Americans and Global Partners have experienced as a result of this pandemic.

Thank you again for your partnership, loyalty, dedication and support.

Sincerely,
The Imperial Pools Family
