

safety information

A Generation Pool will bring you and your family years of enjoyment and relaxation. With any recreational water activity, however, there is always the risk of injury. For the continued enjoyment of your backyard swimming experience, please follow the following safety tips:

- 1. Read Safety Literature** including the Pool & Hot Tub Alliance's brochure, "The Sensible Way to Enjoy Your Inground Swimming Pool."
- 2. Do Not Allow Diving or Jumping** into the pool or running around the pool, and avoid alcohol consumption. The use of diving or sliding equipment can be hazardous. Imperial Pools, Inc. does not recommend the use of these appliances. If used, care should be exercised to use only equipment meeting the recommended safety codes established by the Pool & Hot Tub Alliance.
- 3. Stay Alert** and carefully supervise all the swimmers in your pool—especially small children.
- 4. Install a Fence** to secure your pool from unsupervised and unauthorized use.
- 5. Use Safety Signs** and labels and keep rescue devices nearby, such as life rings or ropes.

pool shape options & sizes

Our design gallery features over 80 pool shapes, sizes and numerous interior pool finishes to complement your outdoor living area and suit your style. With the design flexibility of steel, you can design your own inground pool, any shape or any size. Ask your Generation Pools dealer how you can custom-build a pool that is uniquely you. If you can dream it, we can make it.
