

Aesthetically Progressive

Imperial's aluminum Progressive Coping is more than a bead receiver for the pools interior finish. It's an aesthetic feature and finishing detail of the pool itself. Our Progressive Coping locks the deck against the pool wall with a flowing contoured shape.

Imperial's Progressive Coping features:

- Easy Installation
- Ribbed Low Profile Edge
- Straight and Custom bent sections
- Fewer Seams and Clips
- Ideal for concrete decks
- Available in White and Gray
