

SAFETY DATA SHEET

1. Product and Company Identification

Product Name Pristiva Primer

CAS # Mixture

Product Use Pool Water Additive

Manufacturer Pristiva

c/o Backyard Brands, Inc. 401 S. Enterprise Blvd, Lebanon, IN 46052 USA

1-866-875-0012 1-800-996-6666

CANUTEC

2. Hazards Identification

Emergency Overview CAUTION

EYE AND SKIN IRRITANT.

Potential short term health effects

Routes of exposure Eye, Skin contact, Inhalation, Ingestion.

Eyes Causes irritation.

Skin May cause irritation.

Inhalation Dusts of this product may cause irritation of the nose, throat, and respiratory tract.

Ingestion May cause stomach distress, nausea or vomiting.

Target organs Eyes. Skin. Respiratory system.

Chronic effects Prolonged or repeated exposure can cause drying, defatting and dermatitis.

Signs and symptoms Symptoms may include redness, oedema, drying, defatting and cracking of the skin.

Symptoms of overexposure may be headache, dizziness, tiredness, nausea and

vomiting.

Potential environmental effects

Not available

3. Composition/Information on Ingredients

Ingredient(s)		CAS#	Percent
Organic chelating agent		Proprietary	15 - 40
Inorganic acid		Proprietary	15 - 40
Imidazole analogue		Proprietary	3 - 7
Organic acid		Proprietary	5 - 10
•	This was duest been been provided a trade account consention		

Composition comments This product has been granted a trade secret exemption.

The HMIRC registry number is 8593

The filing date associated with this trade secret exemption is May 7, 2012.

All concentrations are expressed as %wt/wt.

4. First Aid Measures

First aid procedures

Eye contact Hold eyes open and rinse slowly and gently with water for 15-20 minutes. If contact

lenses are present, rinse five minutes before removing, then continue rinsing for 10-15

minutes. If irritation persists, call a physician.

Skin contact Brush away excess of dry material. Flush with water. Obtain medical attention if

irritation persists.

Inhalation If symptoms develop move victim to fresh air. If symptoms persist, obtain medical

attention.

Ingestion Do not induce vomiting. Never give anything by mouth if victim is unconscious, or is

convulsing. Obtain medical attention immediately.

Notes to physician Symptoms may be delayed.

#21420 Page 1 of 5 Pristiva® Primer

	eyes and skin. Keep out of reach of children. 5. Fire-fighting Measures
General advice	If you feel unwell, seek medical advice (show the label where possible). Ensure that medical personnel are aware of the material(s) involved, and take precautions to protect themselves. Show this safety data sheet to the doctor in attendance. Avoid contact with

Flammable properties Not flammable by WHMIS criteria. May be combustible at high temperatures. Extinguishing media

Suitable extinguishing media

Treat for surrounding material.

Unsuitable extinguishing media None known.

Protection of firefighters

Specific hazards arising from

the chemical

None known.

Protective equipment for

firefighers

Firefighters should wear full protective clothing including self-contained breathing apparatus.

Hazardous combustion products May include and are not limited to: Oxides of carbon. Oxides of nitrogen. Hydrogen

chloride.

Explosion data

Sensitivity to mechanical impact

None known.

Sensitivity to static discharge

None known.

6. Accidental Release Measures

Keep unnecessary personnel away. Do not touch or walk through spilled material. Do Personal precautions not touch damaged containers or spilled material unless wearing appropriate protective

clothing. Keep people away from and upwind of spill/leak.

Do not contaminate water. Prevent entry into waterways, sewers, basements or **Environmental precautions**

confined areas.

Methods for containment Methods for cleaning up

Storage

Stop the flow of material, if this is without risk.

Before attempting clean up, refer to hazard data given above. Use broom or dry vacuum to collect material for proper disposal without raising dust. Finish cleaning by spreading water on the affected surface and dispose of according to local and regional

authority requirements.

7. Handling and Storage

Use good industrial hygiene practices in handling this material. Avoid breathing dusts Handling from this material. Handle and open container with care. Avoid contact with eyes, skin

and clothing. Do not mix with other chemicals.

Keep out of reach of children. Keep containers tightly closed in a dry, cool and well-ventilated place. Do not store in aluminum, carbon steel, copper, copper alloys, zinc

or nickel containers.

8. Exposure Controls / Personal Protection

Exposure limit values		
Ingredient(s)	Exposure limit values	
Imidazole analogue	ACGIH-TLV	
	Not established	
Inorganic acid	ACGIH-TLV	
	TWA: 2 mg/m3	
	STEL: 6 mg/m3	
Organic acid	ACGIH-TLV	
	TWA: 10 mg/m3	
Organic chelating agent	ACGIH-TLV	
	Not established	

#21420 Page 2 of 5 Pristiva® Primer **Engineering controls** General ventilation normally adequate.

Personal protective equipment

Wear safety glasses with side shields. **Eye/Face protection**

Hand protection Rubber gloves. Confirm with a reputable supplier first.

As required by employer code. Skin and body protection

Where exposure guideline levels may be exceeded, use an approved NIOSH respirator Respiratory protection

or NIOSH-approved filtering facepiece.

Handle in accordance with good industrial hygiene and safety practice. When using do General hygiene considerations

not eat or drink. Wash hands before breaks and immediately after handling the product.

9. Physical and Chemical Properties

Crystalline. **Appearance** Colour White **Form** Crystals Odour Odourless Odour threshold Not applicable

Physical state Solid 2.34 рH

Not applicable Freezing point Not applicable **Boiling point** Pour point Not applicable **Evaporation Rate** Not applicable Flash point Not applicable **Auto-ignition temperature** Not applicable Flammability limits in air, lower, % Not applicable

by volume

Flammability Limits in Air, Upper, % Not applicable

by Volume

Vapour pressure Not applicable Vapour density Not applicable Specific gravity 0.82 - 0.87Octanol/water coefficient Not applicable Not applicable **Viscosity**

Stability and Reactivity 10.

This product may react with strong alkalies. Reactivity Possibility of hazardous reactions Hazardous polymerisation does not occur. Chemical stability Stable under recommended storage conditions.

Do not mix with incompatible materials. Conditions to avoid Incompatible materials Oxidizers. Acids. Reducing agents. Caustics.

May include and are not limited to: Oxides of carbon. Oxides of nitrogen. Hydrogen Hazardous decomposition products

chloride.

Toxicological Information 11.

Component analysis - LC50 **LC50** Ingredient(s) Imidazole analogue Not available Inorganic acid 3450 mg/kg mouse Organic acid Not available Organic chelating agent Not available

#21420 Page 3 of 5 Pristiva® Primer

Component analysis - Oral LD50

Ingredient(s)	LD50
Imidazole analogue	7800 mg/kg rat
Inorganic acid	2660 mg/kg rat
Organic acid	5040 mg/kg mouse; 3000 mg/kg rat
Organic chelating agent	2000 mg/kg rat

Effects of acute exposure

Causes irritation. Eye Skin May cause irritation.

Dusts of this product may cause irritation of the nose, throat, and respiratory tract. Inhalation

May cause stomach distress, nausea or vomiting. Ingestion

Sensitisation Non-hazardous by WHMIS criteria. Non-hazardous by WHMIS criteria. **Chronic effects** Carcinogenicity Non-hazardous by WHMIS criteria. Mutagenicity Non-hazardous by WHMIS criteria.

Reproductive effects When one of the components was fed to test animals at very high doses, it was shown

> to be a potential reproductive toxin. When this product is used and applied according to label directions, the component in this product does not represent a practical risk to

humans.

Non-hazardous by WHMIS criteria. **Teratogenicity**

Name of Toxicologically Synergistic Not available

Products

12. Ecological Information

Ecotoxicity	Not available
Persistence and degradability	Not available
Bioaccumulation/accumulation	Not available
Mobility in environmental media	Not available
Environmental effects	Not available
Aquatic toxicity	Not available
Partition coefficient	Not applicable
Chemical fate information	Not available
Other adverse effects	Not available

Disposal Considerations 13.

Disposal instructions Review federal, provincial, and local government requirements prior to disposal. Empty

container can be discarded in the trash or recycled where appropriate. Do not reuse or

refill this container.

Waste from residues / unused

products

Not available

Not applicable. Contaminated packaging

Transport Information 14.

U.S. Department of Transportation (DOT)

Not regulated as dangerous goods.

Transportation of Dangerous Goods (TDG - Canada)

Not regulated as dangerous goods.

15. Regulatory Information

This product has been classified in accordance with the hazard criteria of the Controlled Canadian federal regulations

Products Regulations and the MSDS contains all the information required by the

Controlled Products Regulations.

Class D - Division 2A, 2B WHMIS classification
